### Get Kids Ready Initiative

Beginning in the 2026-27 school year, Wisconsin's DCF is launching a new program called Get Kids Ready, designed to increase kindergarten readiness by investing in 4K programs like ours. Our school curriculum will continue to focus on academic, physical, socio-emotional, and self-help skills aligned with Wisconsin Model Early Learning Standards. For students turning 4 before Sept 1, 2026, we can now offer a half-day 5-day program at no charge to families.
